

HOW TO FIND US

FOR THE ATTENTION OF:

Armour Home Electronics can be easily reached via the M25 motorway. Come off at Junction 11, signposted A320 (Woking).

Take the A320, in the direction of Woking along the dual carriageway.

Take the first left at the next roundabout and stay on the A320, going straight on at the next three roundabouts.

At the fourth roundabout (Six Crossroads Roundabout) take the second exit (Monument Way) and follow this until you reach the traffic lights immediately after the canal bridge.

You will need to take the first turning on

the left at the traffic lights, into Eye Road.

This leads straight into Albert Drive. Carry on down Albert Drive, past the large black building on the left and the Citroën Dealership on the right, travel approximately 600m and, just after the pedestrian crossing, on the right is the entrance to Forsyth Road.

Unit B3 is on the first right after the right hand bend opposite the big blue building.

PLEASE NOTE—All deliveries should be at the rear of the premises, through the blue gates and first on the left.
